Cools the Blood

Hot weather takes the life out of everybody. You become languid, debilitated, nervous, depressed. You lose your appetite and you have indigestion. Your blood becomes impure, your head aches, your nerves are weak, and you are tired all the time. You want something to purify your blood and make it cool and healthy.

Mr. Giovanni D'Nesi, of Parkside, South Australia, tells you how this may be done. He sends his photograph also.
 "In this warm and debilitating climate I believe nearly every one needs a good tonic. For a number of years I have relied on Ayer's Sarsaparilla. I can strongly testify to its curative power in cooling the blood in hot weather and in toning up the whole system. It is a wonderful medicine."

AYER'S Sarsaparilla

There are many imitations "Sarsaparillas." Be sure you get Ayer's.

RICH BUT CANNOT PAY DEBTS

LARGE SUMS OF COIN LYING IDLE IN THE GOVERNMENT TREASURY VAULTS IN THE CAPITOL BUILDING—KEPOIKAI WILL HAVE A MILLION NEXT MONTH BUT NOTHING FOR EXPENSES.

There are over \$700,000 in coin in the vaults of the treasury in the Capitol building now. The amount will soon be increased by about half a million more of bond money and the treasury will have more than it has had for some time. But while the million dollars lies in the vaults and is owned by the Territory and people of Hawaii, the treasury will be in a condition of "bustication" as far as current expenses are concerned and all five counties will be moneyless, for the million is loan money and can only be used for the purposes specified in the loan appropriation act. The Territory has a million idle, but cannot pay debts and salaries.

The treasurer has received from local banks \$550,000 of the million dollar loan. All the rest is to be paid in by January 15, when the loan fund will be all in. In addition Kepoikai has \$160,000 of current expenses money at present, but it will all be paid out by the end of the year, at least as far as it is deemed proper to pay it.

The treasurer will keep enough on hand to meet interest on Territorial bonds. There will be \$22,000 to be paid out every half-year on the issue just made, and the balance on hand will not be allowed to get so low that there will ever be any danger that the obligation will not be promptly met. A failure to meet it would be regarded as highly injurious to the credit of the Territory.

The million dollars of loan money will lie idle in the vaults until it can be used. It is costing the Territory about \$120 per day interest and is an expensive luxury while doing nothing but fill up space in the vaults. Plans are being rushed to spend it as fast as possible, in accordance with the appropriations.

ELIJAH III AND BUSINESS.

Dowie is a keen business man, whatever else he may be. The territorial passengers association of railroad men, at its meeting in Chicago lately, had to consider an application from "Elijah III" for the privilege of "clergy rates" for all of the deacons and proselyters of Zion City. If granted, this application would bring to the 4000 members of the "host" now in New York much-reduced rates back to Chicago. Dowie, in his statement to the railroad managers, seemed to know all about the Elkins law and discrimination between passengers. Elijah I was a poor sort of business man compared with his 20th century successor.

MANY CONTRACTS ARE AWARDED

BOARD OF HEALTH ARRANGES FOR PURCHASES OF SIX MONTHS' SUPPLIES.

The Board of Health yesterday afternoon awarded contracts for six months' supplies for the Leper Settlement and Insane Asylum, giving the awards to the lowest bidders or deciding by the toss of a coin where bidders were tied.

There was only one bidder for the beef supply, from the Parker ranch, through A. W. Carter. It was a cent and a quarter higher than last year, the increase representing a rise in cattle, said Carter. Other contracts were awarded as follows:

The case of a woman suspect, who wanted to return to the Settlement as a kokua of her husband, was discussed and the request granted.

Dr. Atcherley a Government physician on Hawaii, complained by letter of being refused payment for treating a native mail carrier, who claimed free treatment on the score of being "an indigent native Hawaiian." The Board decided it had nothing to do with the matter.

Dr. Mary F. Barry reported having visited 29 schools of Honolulu, made 1288 examinations, performed 217 vaccinations, of which 163 were successful, and issued 1384 health certificates.

EAGLES ENTERTAIN.

The Honolulu Aerie, No. 140, of the Fraternal Order of Eagles, gave a smoker last evening to the visiting Eagles from the fleet. Refreshments, were served and an enjoyable program

rendered. There were about seventy-five men present from the fleet. Waverley hall was decorated for the occasion.

DIAMOND HEAD LIGHTS.

Residents Beyond Waikiki Want Some Placed.

The following petition has been sent to Superintendent of Public Works C. S. Holloway:

To the Board of Public Works of the Territory of Hawaii.

Gentlemen:—We beg to ask your prompt attention to the condition of the road that winds around the base of Diamond Head, beyond the Waikiki end of the car line of the Honolulu Rapid Transit and Land Company.

That road is lined with the residences of citizens and taxpayers, and is wholly unprotected and unlighted at night. It is very winding and dusty, and certainly needs at least three electric lights, one near the Ewa terminus and two, at proper distances, beyond that point. The approaches to the residences in this neighborhood at night, except when the moon is shining, is so dark and so difficult, especially for ladies, that people in that locality are almost compelled to abstain from going to Honolulu after sunset.

We trust that this matter may receive due notice at your hands, and remain, Gentlemen,

Faithfully yours,

SANFORD B. DOLE,

SAMUEL PARKER,

H. HOLMES,

HENRY E. HIGHTON.
